

Dear Parents & Carers,

Our Caterers for 2024 - Nourish Catering Company

We are pleased to let you know that our catering company for the next academic year will be Nourish Catering Company. They are a well established catering company and have been providing the children's lunches since September 2023.

To ensure that we provide Nourish with current information, we would be grateful if **all** parents could complete the link below advising as to whether or not your child has any food allergies/ intolerances. Please can we request that you complete the link before 1st July so that we can provide the allergen information to the kitchen manager ready for your child's start in September.
